

## FUNDING FOR EDUCATION

- WHEREAS, Public education is a high priority with the citizens of Utah; and
- WHEREAS, Public opinion polls indicate that the citizens of Utah still believe we are not meeting all of public education's needs, e.g. teacher salaries, textbooks, class size reduction, technology, etc., and are willing to spend more for these purposes; and
- WHEREAS, PTA believes that educating our youth is a wise investment for future prosperity; now, therefore, be it
- Resolved, That Utah PTA continue to urge the legislature to make public education allocations a high priority; and be it further
- Resolved, That Utah PTA encourage the legislature to adequately fund critical educational needs, including textbooks, class size reduction, teacher salaries, media centers, and technology; and be it further
- Resolved, That Utah PTA encourage the legislature to allocate sufficient resources to our public schools to enable the schools to enable our children to live successfully in the 21st century
