

Educational Activity Plan Work Sheet # 5

You will need a copy of the following curriculum to complete this work sheet.

- Your school district's core curriculum for your child's grade.
- Elementary school curriculum for the child's current grade.
- Secondary school curriculum for the child's current grade plus the next two years.

You can find this information by going to the UEN or USOE website, then choose your school district. You could also request a copy of the core curriculum from the school office.
