

WATCH D.O.G.S. (Dads of Great Students) and the PTA

This year more than 200,000 men in over 2,500 schools across America will volunteer at least one full day working in school through the WATCH D.O.G.S. program. A charter member of National PTA's MORE Alliance (Men Organized to Raise Engagement), Watch D.O.G.S. is a ready-to-use program that will help you quickly add PTA-branded programs to build the relevancy, membership and capacity of your PTA.

Watch D.O.G.S. can:

- Increase your PTA membership and leadership
- Significantly increase male involvement and provide positive role models in your schools
- Provide PTA-branded programs to your school that help to increase student success by:
 - Providing adult assistance in the classroom
 - Supporting an atmosphere of schools security
 - Decreasing disruptive behavior in the classroom and playground
 - Lowering the instances of bullying at school
 - Providing professional and vocational learning experiences
 - Bringing opportunities for greater community resources and support to your school
- Guarantee hundreds of additional parent volunteer hours in your school

WATCH D.O.G.S. offers free and easy program training in under an hour directly to PTA schools and at state, regional and council meetings.
