

Leadership Training

KEEP YOUR VISION FOCUSED.

When we focus our visions, we find their purpose. When you're creating visions for your PTA, focus is always the key, because without it, vision has no direction. No power.

STOP, LOOK, AND LISTEN.

Great visions don't leap out to meet us! To find one, we need to slow down and really understand what's happening.

HOLD ON TO THE BEST. LET THE REST FALL AWAY.

Intellect helps us find which parts of our visions are really important and which to get rid of.

TRUST YOUR INTUITION

If we learn to trust it, our intuition can reveal spectacular visions.

IT'S NOT TRESPASSING TO GO BEYOND YOUR OWN BOUNDARIES.

Taking risks and expanding our horizons helps us turn visions into reality. Remember you have to go out on a limb to find the best fruit.

MAKE YOUR VISIONS BIG ENOUGH.

The really big visions should never be focused too tightly.

REMEMBER TO HAVE PASSION.

Passion is the energy needed to realize our vision.

"A great leader's courage to fulfill his vision comes from passion, not position."
-John C. Maxwell
